

2025 DUCKTONA 5000 SPONSORSHIP

RCMSAR STATION 5 CRESCENT BEACH

What is Ducktona 5000?

The "**DUCKTONA 5000**" is a fundraiser for Royal Canadian Marine Search and Rescue, Station 5, Crescent Beach. Our completely volunteer operation relies on community support from events like this to continue to save lives at sea.

This family-friendly fun community event will take place on **Saturday September 6th, 2025** at Crescent Beach pier - 5000 rubber ducks will be released in a sheltered course, monitored by our search and rescue vessels while the public watch and cheer on their ducks from the beach and pier. Top duck wins **\$1,000 cash, with additional great prizes for the top 10 finishers.**

RCMSAR 5 Crescent Beach is selling ducks (numbered tickets 1 thru 4650) throughout the spring and summer to the public online and at various community businesses and events for **\$5 a duck or 5 for \$20.**

Who does Ducktona 5000 support?

RCMSAR 5 is based in Crescent Beach and has been an active presence in our local community since 1998. The unit serves the Semiahmoo Peninsula and the people who enjoy the water from Crescent Beach to the Georgia Straight. The 30 person strong team of volunteers operates two rigid hull inflatable (RHIB) vessels to train and answer calls. RCMSAR 5 is a vital member of the local first responders team often working together in joint rescue operations. RCMSAR 5 volunteers are on-call 24/7/365. The team relies on community support and donations, and holds annual fundraising events to help enable their efforts.

Why we need you

Corporate sponsors are a major part of this fundraiser. We are actively looking for help from our local community as corporate sponsors for the event. Corporate and prize sponsors will receive a tax donation receipt and will also enjoy the benefit of being promoted on all of event marketing materials, social media, and DUCKTONA 5000 merchandise. They will also have the opportunity to be a part of our race day festivities.
